The Alta Mira Chapter of the Daughters of the American Revolution held a marker dedication ceremony for Revolutionary War widow Mary Rose Humphrey Hull at Deep Creek Cemetery near Farmersville on Nov. 7.

The program included remarks from local officials, Hull's descendants, and members of the Alta Mira Chapter, as well as performances of "The Star-Spangled Banner" and "God Bless America" by the Farmersville High School Choir.

Farmersville Mayor Paul Boyer welcomed those in attendance and Tulare County Supervisor Larry Micari made presentations to Marsha Scott and Rochelle Miguel, two first cousins who independently started restoring the headstones at the cemetery, and representatives of the Exeter Public Cemetery District, the Alta Mira DOR Chapter, and the E Clampus Vitus Tulare

Visalia Times-Delta
USA TODAY NETWORK

Each month, the Visalia Times-Delta lets you know which Tulare County restaurants aced their inspections, as well as which ones need to make improvements. Only restaurants that offer meals and provide tables to their customers are included.

Restaurants with inspection scores between 90-99, which are the majority of scores, are not included in this report.

This report is based on the Tulare County Environmental Health Division report that was released on November 2, 2026.

Tulare County's best restaurant inspections

The following restaurants met all standards during their October inspections and no violations were found. Their scores are considered perfect.

- **Rainbow Drive-In**, 1921 W. Tulare Ave., Visalia (follows Oct. 8 inspection)
- **Cafe Lafayette**, 151 S. E St., Ste. A, Exeter
- **Sandoval Fish Market & Restaurant**, 182 S. State St., Earlimart

Tulare County restaurants that did not pass inspection

The following nine restaurants were found to have major or critical risk violations:

Smashway Burger, 1570 W. Olive Ave., #C, Porterville – Routine inspection on Oct. 5. Inspection score: 86.

Violations:

- Observed paper towel dispenser adjacent to handwashing sink by pass-through window not dispensing paper towels.
- Observed chili in warmer with internal temperature of 75°F.
- Observed Ice-O-Matic ice machine interior black panel with build-up.
- Observed handwashing sink adjacent to pass-through window with pressurized water temperature of 84°F, and three-compartment sink with pressurized water temperature of 82°F. (NOTE: By end of inspection, handwashing sink pressurized water
