FANNING THE FLAMES

Goal scoring is a top priority for the Flames and general manager Craig Conroy, here speaking to media at the Saddledome on Friday, as they look to fire up their offence during the off-season and build themselves into a contender. **B7**

PRIVATE SURGERY OPTIONS

timelymedical
 alternatives

For over 22 years, Timely Medical has been helping Albertans leave the lengthy surgical waiting lists in the public system and take charge of their own healthcare. We offer a wide range of private hip, knee, & shoulder replacement surgeries, ranging from lower-cost, to advanced state-of-the-art minimally invasive robotic options not available elsewhere. We also specialize in minimally invasive spinal surgeries, gynaecological surgeries, and cardiac procedures.
