In the spotlight

The annual Hinsdale Central variety show took to the stage last week with 15 acts and dozens of students showcasing their talents. Technology added a twist to Daniel Razminia's performance as he took to the stage playing Scriabin and Chopin études. A large screen projected his fingers flying over the keyboard as he played. Please turn to Page 20 for more pictures. Also more pictures are posted on our Facebook page at www.facebook.com/thehinsdalean (Jim Slonoff photo)

Demand is high

Hinsdale commercial sites sought by building owners, tenants.
