★★★★★ Great and super speedy service. The crawl space looks great, and the basement no longer has a musty damp smell. The communication from Acculevel was top notch, and their pricing was much more affordable than many others for a full crawl space encapsulation. Would highly recommend. - Bruce T.

Evansville festival returns Monday with food booths, carnival rides

EVANSVILLE — The Fall Festival is back for another year, promising plenty of food to eat and nonprofits to support.

The West Side Nut Club Fall Festival runs Monday through Saturday night on Franklin Street. Around 200,000 people will flow through the festival during a typical year.

There will be more than 100 food booths run by local nonprofits from schools, churches and animal shelters.

Here are a few things to know before heading to the West Side.

The West Side Nut Club Fall Festival takes place along Franklin Street on Evansville's West Side. There are two Fall Festival live camera feeds that visitors can see from 8 a.m. to 10:30 p.m.

The Fall Festival fully kicks into gear Oct. 6, but for those hoping to miss the big crowds, Family Day is set for Oct. 5.

Kiddie rides only will be open from 1 to 7 p.m. The nonprofit food booths will not be open at this time.

On Monday, it all opens up for visitors to flood Franklin Street. Food booths are open Monday-Saturday of the festival from around lunch time to 9 p.m., depending on crowd flow.

Carnival rides are open from 2-10 p.m. Monday and Tuesday.

Wednesday:

- Kiddie rides open from noon to 10 p.m.
- All rides open from 2 to 10 p.m.
