Scam of silence

**YOUR
RIGHT
to know**

They call and they remain silent. But if you say anything, the scammers will get you. Refraining from answering calls from unknown numbers is the best strategy against scammers who use AI to mimic your voice. > See reports on page 7 by **MARTIN CARVALHO, FARIK ZOLKEPLI and RAHIMY RAHIM**

It's hard to rock and roll

The government is encouraging concerts and events with a special incentive of RM10mil. However, restrictive policies and ambiguity in guidelines are making it difficult for organisers even as Visit Malaysia 2026 looms.
