# Tackling toxic chemicals

**YOUR  
RIGHT  
to  
know**

Stricter regulation of substances labelled 'forever chemicals', which can accumulate in the environment and human bodies over decades, is needed in Malaysia, say experts. The chemicals are said to be linked to serious health issues such as decreased fertility, a weakened immune system and cancer.

## Another attempt on Trump's life

US President Donald Trump and First Lady Melania Trump were rushed to safety after a gunman stormed a glitzy press gala in Washington. The venue erupted into chaos as shots rang out and guests dived for cover, with the suspect later detained on site. > See report on page 22
