7-Brew will offer original and classic drinks, energy drinks, teas, chai and matcha, lemonades, smoothies, shakes and more at the new Big Flats location. JEFF SMITH/CORNING LEADER

County Route 64 in Big Flats to get 7 Brew

Jeff Smith
Corning Leader | USA TODAY NETWORK

Elmira and Corning area commuters will soon have another option for their daily fix of coffee, beginning this fall.

A new 7 Brew is set to open sometime in November on County Route 64 in Big Flats.

The new drive-thru, located between Michaels and Taco Bell, will be one of the first 7 Brew locations in the Southern Tier, according to 7-Brew. The closest existing location is in the Binghamton area.

The business will follow the brand's signature drive-thru-only format, featuring a small footprint building with a fast and friendly service model, company officials said. The 7 Brew drive-thru will feature original and classic drinks, energy drinks, Fizz Sodas, teas, chai and matcha, lemonades, smoothies and shakes.

Several new 7 Brew stands have recently opened in the Greater Rochester area, officials said. 7 Brew is known for its brightly colored menus, and lightning-fast order times with no seating inside, all drive-thru.

The official hours have not yet been announced, but most 7 Brew Coffee drive-thru locations follow consistent hours of 5 a.m. to 11 p.m. Monday through Saturday and 6 a.m. to 10 p.m. Sunday.

The new location in Big Flats is part of a bigger overall expansion for 7 Brew.

The coffee company told USA TODAY it is opening more than 50 locations across dozens of states in October alone, including eight initial locations in Alabama, Colorado, Kentucky, Mississippi, Missouri, Nebraska, Ohio and West Virginia.

7 Brew has grown quickly since it was founded in 2017 in Arkansas. Franchising started in 2021, and there are now more than 900 7 Brew stands nationwide.

Seasonal and special events planned at CMoG

Beth McDermott
Corning Leader | USA TODAY NETWORK

Families visiting the Corning Museum of Glass this month can watch glass pumpkins take shape, see a giant handcrafted pumpkin and meet internationally known artist Toots Zynsky during a series of seasonal demonstrations and special events.

The museum's fall programming is underway, according to a community announcement, with daily glass pumpkin demonstrations, hands-on studio projects and special appearances by artists and glassmakers through Oct. 31.

Thousands rally at Cornell as Jane Doe case fuels calls for change

Jillian McCarthy
Ithaca Journal | USA TODAY NETWORK

Just weeks after a former Cornell University student known anonymously as Jane Doe filed a lawsuit against the university and seven former fraternity members, the student community rallied together to call for administrative change.

On Oct. 5, Cornell University's campus appeared as it does on any other fall day — a cold wind, sunny sky, orange and yellow leaves drifting to the ground and students roaming the grounds heading to their next class.
