DICK CHENEY | 1941-2025

'He was much more than vice president'

In the 1990s, Dick Cheney briefly tested the waters for a presidential bid but concluded that he lacked the fundraising prowess, campaign skills and electoral base. TIM DILLON/USA TODAY FILE

Longtime lawmaker played central role in America's hard-edged response to 9/11

Susan Page

USA TODAY

WASHINGTON - Richard Bruce Cheney was the most powerful and the most controversial vice president in American history.

Cheney, 84, died surrounded by family members on the evening of Nov. 3, of complications of pneumonia and cardiac and vascular disease, according to a statement from the Cheney family. It called him "a great and good man who taught his children and grandchildren to

love our country, and to live lives of courage, honor, love, kindness, and fly fishing."

The laconic one-time college dropout found his place in Washington, DC, moving to the capital as a congressional fellow and rising in short order to become White House chief of staff for President Gerald Ford, a member of House Republican leadership and wartime secretary of defense for President George H.W. Bush.

Cheney's career full of milestones

Jeanine Santucci USA TODAY

Dick Cheney, who wielded more power as vice president of the United States than any before him and was one of the country's most controversial political figures, died Nov. 3 at the age of 84, his family said in a state-

From his early days in politics to his remarkable split from Trump-era Republicans in the most recent presidential election, Cheney's life and career was full of memorable moments.

Youngest-ever chief of staff

Cheney joined the staff of Donald Rumsfeld, who later served as defense secretary during 9/11 and its aftermath, in President Richard Nixon's White House and worked in the administration starting in 1969.

After Nixon's resignation amid the Watergate scandal, Rumsfeld became President Gerald Ford's top assistant,

Gannett rebrands as USA TODAY Co.

Ralphie Aversa

USA TODAY

NEW YORK – For the first time since 1923, Gannett Co., Inc. has changed its name. The media company, whose content reaches 1 in 2 Americans daily, is now known as USA TODAY Co.

The announcement was made by USA TODAY Media President Kristin Roberts and Chief Communications and Brand Officer Lark-Marie Antón on Nov. 4 on the main stage at ADWEEK's Brandweek 2025 in Atlanta. Brandweek is a forum where marketing leaders and industry experts discuss timely brand-

ing issues and opportunities facing the future of branding.

According to Mike Reed, CEO of USA TODAY Co., the thought process behind the new name began about six months ago as he met with marketing
