## How are local representatives reacting to Venezuela operation?

York Daily Record  
USA TODAY NETWORK

How are York County area politician reacting to news that the Trump administration launched a strike on Venezuela and arrested President Nicolás Maduro and his wife?

Here are statements from some regional political leaders:

**U.S. Rep. Scott Perry, R-10th District, on X**

"Socialism and crime are corrosive to people, cultures, and countries."

Venezuela's long nightmare with an illegitimate, criminal leader is finally over, and its people have been given the opportunity to choose a brighter future. Americans, likewise, can sleep better knowing that the steady stream of Venezuelan gang violence, deadly drugs, and sinister Marxism being

pumped into our Nation has been dealt a decisive blow where good has prevailed over evil. God bless the world's premier U.S. Armed Forces and President Trump for getting this done."
