Fall's flavor obsession returns

The autumn season is starting to bring pumpkin, apple and caramel flavors to Fond du Lac. • In addition to apple cider from local orchards like The Little Farmer, Armstrong Apples and Redmond's Apple Basket, fall drinks are rolling out at local coffee shops and bars, keeping up the seasonal atmosphere no matter what the weather brings. • For the hotter days of early fall, many places offer pumpkin and other fall-related cold brew drinks. Cocktails at local bars include a variety of themed mules, old fashioned and more. • Here are 11 Fond du Lac-area establishments offering fall specials.

CC's Chocolates

CC's Chocolates, 57 N. Macy St., offers a pumpkin spice latte and pumpkin chai latte within its fall menu. Additionally, the September coffee specials are salted caramel cinnamon roll — with salted caramel sauce, cinnamon and vanilla — and banana nut muffin, featuring banana, butter pecan and gingerbread flavors.
